

Selftrade is unique as we enable you to choose from a range of SIPP providers, so that you can self- manage your SIPP on our digital platform. We have over 70 providers on our panel to select from, which makes up most of the UK SIPP market.

If you do not see your provider listed, you can check if it is part of the wider panel of 70 providers by contacting us. Alternatively, if you are with a provider not yet on our panel, you can also request to add any regulated provider onto our panel.

Contact us on email at info@selftrade.co.uk call **0345 0700 720** or send us a secure message.
